

Quality Policy

L2 Business Consulting employs suitably competent and qualified personnel to provide services to our Customers under the processes defined within our Integrated Management System (IMS). The L2 IMS is designed to provide a single framework for the arrangements and processes necessary to address all the objectives of the Company. These goals include Health, Safety, Security, Environment, Quality, Radiation Protection, Data Protection, Business Continuity, Social Responsibility as well as the day to day business performance.

L2 recognises that our success is dependent on our Customers Satisfaction and ensuring the advice/services we provide are compliant to the applicable regulation, to that end our policy is to:

- Work in accordance with the requirements of BS EN ISO 9001:2015 (Quality Management Systems - Requirements), IAEA Safety Standard GSR-Part 2 (Leadership and Management for Safety), other applicable international standards and national regulatory requirements.
- Meet Customers contractual requirements and deliver Customers satisfaction on everything we do.
- Continually improve effectiveness and efficiency in our business processes.

Our IMS is integral part of our business and our employees continually aim to improve the quality of service. In order to ensure that the policy is met, the Directors are responsible for:

- Establish measurable business objectives and communicating them to our employees.
- Establishing and developing unity of purpose and direction in working to our stated policy and objectives.
- Creating an internal environment, which actively encourages all employees to become fully involved in the organisation to enable their abilities to be used for the Company's benefit in achieving our objectives.
- Developing people in the Company with the objective to provide knowledge and skills which together with experience improve their competence.
- Ensuring that decisions are based on the analysis of factual data and information. Developing effective methods of ensuring that the policy is understood, implemented and maintained at all levels in the organisation.

This Quality Policy will be reviewed on an on-going basis by the Directors to ensure that it remains appropriate to all our activities. It shall be communicated and apply to all employees, suppliers and stakeholders.
